Career Experience

Head of Account Growth & Retention | Parker Group Inc. 2024 – 2026

Fintech platform providing working capital solutions to digital-first businesses · Built the CS and revenue expansion function from the ground up — designed the systems and playbooks that drove record-breaking performance.

- Owned 400+ accounts across \$200M in credit limits — led a team of 3 CSMs accountable for utilization, retention, and expansion across the full portfolio.
- Strongest quarter in company history — 37% YoY growth and 120% NRR through credit increases, incentive programs, and upsell expansion.
- Rebuilt onboarding end-to-end — cut time-to-first-transaction from 20 to 4 days, improving early retention and revenue predictability.
- Architected a 3-tier incentive program — drove \$5M in incremental GPV within 90 days, accelerating ramp and account stickiness.
- Partnered with engineering to close a data and underwriting gap — reduced credit decisions from 14 days to 2 days, accelerating portfolio utilization.
- Built real-time KPI dashboard tracking credit utilization, onboarding velocity, and account health — surfaced at-risk accounts early and identified expansion opportunities before they were missed.

Merchandise Manager, Home Division | Zulily 2021 – 2023

Owned \$100M+ P&L across four home categories — led buying strategy, assortment, vendor negotiations, and full financial performance across bedding, bath, furniture, and home décor.

- Oversaw 5,000+ active SKUs across 600+ vendor relationships.
- Rebuilt pricing and merchandising strategy around customer behavior data — drove 8% YoY growth generating \$8M in incremental revenue.
- Launched Q1 bundle strategy during white sale — increased average cart value, reduced shipping costs, and improved category margin.
- Led department-wide EDI integration — scaled to 60 net-new vendors in 6 months, added 1,800+ SKUs, and drove \$7M in new Q4 revenue.
- Led back-to-school tentpole campaign with key brand partners — generated \$6M in demand lift above prior year through flash deals, co-op marketing, and promotional activations.
- Managed strategic partnerships with Dyson, UGG, KitchenAid, Tommy Hilfiger, and Pendleton — negotiated exclusive access and premium placement to drive category growth.

Director, Off-Price Sales | Ralph Lauren Hosiery 2014 – 2017

Led a \$40M+ branded hosiery business across TJX, Ross, and Burlington — owned channel strategy, pricing, assortment, vendor negotiations, inventory, and team management.

- Drove 12% YoY growth — grew the off-price division by \$5M+ through channel expansion, new product introductions, and improved sell-through across 1,000+ retail doors.
- Renegotiated sourcing across 8 vendors — achieved 100 bps margin improvement and \$1.4M in annual cost savings without impacting quality or retail pricing.
- Eliminated excess inventory risk — reduced from \$2.9M to zero in 2 months, freeing \$2.0M in working capital and eliminating \$380K in annual markdown exposure.
- Redesigned warehouse and order management operations — improved Q4 efficiency, reduced cancelled orders, and cut peak season headcount costs.

Product Development Manager | Ralph Lauren, Black Label 2007 – 2009

Managed multi-category product development for Ralph Lauren's premium Black Label line across Design, Sourcing, Buying, Planning, and Overseas Office teams.

- Managed 180+ styles per season across 4 categories and 22 vendors — zero late deliveries, IMU targets within 50 basis points, and \$10M in seasonal purchase orders managed with zero delays.
